Newsletter March 2018

We are now four years old, as of St Valentine's Day to be exact, but we have not stopped coming up with ideas of what to do. Now we have regular Pilates classes and Short Break holidays to add to our menu. We have responded to members' requests and have expanded our Art Classes and Games Coffee Mornings to twice a month. That does mean we have spare time after the Pilates on a Monday morning, if you can think of anything interesting to do.

It is good that so many of you come up with suggestions, and we are now looking for a few people to show an interest in Chess and Bridge at our Coffee Mornings. Sign-up sheets available.

As we did last year we are planning a modest plant sale at our April Monthly Meeting, but to make it happen we need volunteers and donations of plants. Don't be shy about putting yourself forward to do something for your fellow members.

We nearly have a full house for the KentARA Quiz, but a couple of places left, if you let me know. Transport might be available.

David

Ps. Have you paid your subs for this year?
